Enrollment & Membership Policies

2015-2016 membership sessions are as follows:

Winter/Spring Session (January-May)

Summer Session (June-August)

Fall Session (August-December)

You must re-enroll your student **between each session** for the class you would like them to attend. You may change classes at any point during the session to a more convenient class, or if your child progresses to the next level. Membership fees are annually due from the date first paid. Membership fees are non-refundable and non-transferable.

Tuition & Make-up Class Policies

1. Tuition is calculated for the session based on which class your child is enrolled in and how many days per week they attend class. Changes to your enrollment at any point in the session will result in a re-calculation, as necessary, of the tuition owed for the remainder of the session.
2. Tuition is as stated for each class on the Rate Card. Please note that you can **maintain the discounted rate** by making full payment **by the 7th of the month**.
3. There are NO Refunds on tuition. If you decide not to continue, there are no refunds of tuition or membership fees.
4. Tuition is not prorated for missed classes during fall, spring, or summer sessions. In lieu of make-up classes, you can come to same level classes with openings.
5. Classes are priced by the month not by the lesson. In the calendar year, months vary between 4-5 weeks. We do not charge more for months containing 5 weeks and we do not charge less for absences. If for some reason we are closed, tuition is not pro-rated you may either schedule a make- up lesson or attend an Open Gym time (free of charge).
6. Make-up classes are to be made up within the same session of the missed class and cannot be transferred to another session.

Make-up classes are permitted for any class (except competitive teams & pre-team) that your child misses provided that your tuition account is current. Make-up classes must be scheduled at the front desk.

Cancellation Policies

If your child does not wish to continue taking classes at any point during the session you are permitted to cancel by notifying the front desk. A 30 day cancellation notice is required. You are responsible for payment of all weeks of the session that have passed prior to your cancellation request, even if your child has not attended those classes.

2. Children not participating in a class must remain in the observation areas, supervised by their parents.
